

## Colorado Focus Group Questions

### Medicare DPP Supplier Call:

1. Do you currently serve Medicaid beneficiaries? What percentage of your National DPP lifestyle change program participant population is on Medicaid?
2. A referral from a medical provider will be required for this benefit (*this is different than Medicare DPP*). How do you typically get referrals for the National DPP lifestyle change program and how do you feel about the requirement to get an order from a primary care physician?
3. Does your organization employ a provider type that is enrolled or can enroll in Medicaid as well as bill Medicaid (e.g. MD, DO, NP, RN)? If not, do you have any affiliations with a health care provider? What challenges does this pose to your organization?
4. Organizations wishing to bill Medicaid for this benefit will have to enroll as a Medicaid provider. Do you have any anticipated challenges in enrolling in Medicaid?
5. If you were to decide to enroll as a Medicaid provider to provide the National DPP lifestyle change program to Medicaid beneficiaries, what type(s) of assistance would be helpful to you?
6. As a Medicare DPP provider, do you have any feedback on the fee schedule for MDPP? What works, what doesn't?
  - a. Have any Medicare beneficiaries utilized the 2<sup>nd</sup> year of the MDPP? Should Medicaid consider offering a 2<sup>nd</sup> year of the program like Medicare?
7. Can you share any lessons learned about the implementation of Medicare DPP that may be relevant as we create the Medicaid DPP benefit?
8. Is there anything else you'd like Colorado Medicaid to consider in the development of the Medicaid DPP benefit?

**National DPP Provider Call (Non-MDPP Suppliers):**

1. Do you currently serve Medicaid beneficiaries? What percentage of your National DPP lifestyle change program participant population is on Medicaid?
2. A referral from a medical provider will be required for this benefit. How do you typically get referrals for the National DPP lifestyle change program and how do you feel about the requirement to get an order from a primary care physician?
